

Viewforth Creative Arts and Business Hub

1. Arts and Business at the Heart of the Community: studios, offices, workshops, galleries, offices, café – all to complement, and provide a focus for, the dense residential community around.

2. A Certain Future: social investment funding is sound compared to housing market uncertainties – we want the heart of our community used, not landbanked.

3. A Creative Schools Partnership

- . our new schools are already bursting: Viewforth will provide capacity for Arts, Business, Gaelic, Sixth form etc partnerships with Boroughmuir and Gillespies.
- . St Oswald's Hall also secured for future Community use.
